

Come Taste and Savor

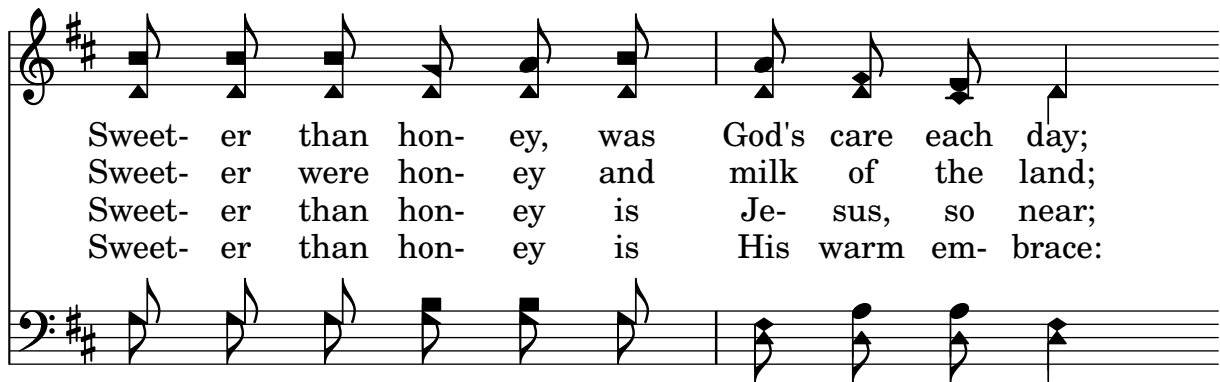

Taste and see that the Lord is good (Psalm 34:8, ESV)

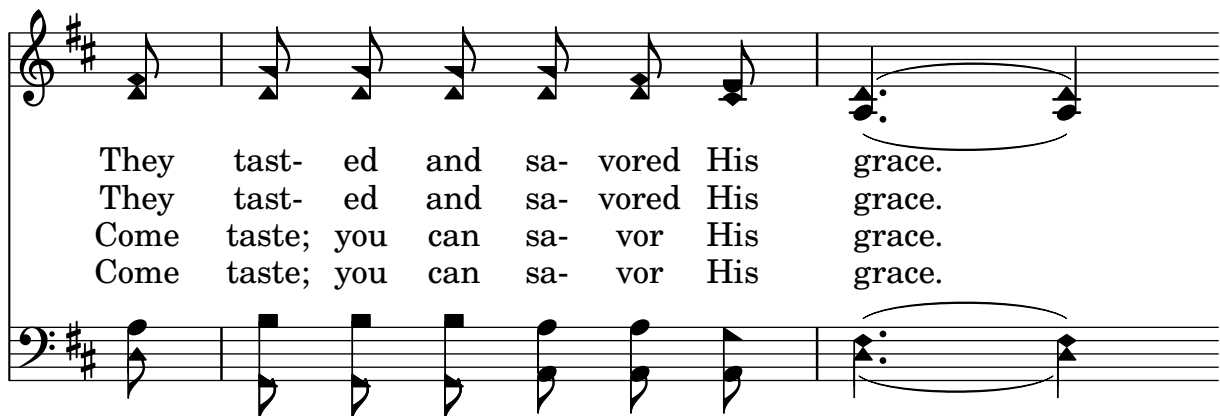

1. God's chil- dren feast- ed on man- na's buf- fet,
2. God's chil- dren en- tered the long- fore- told strand,
3. God's Word sus- tains us as we jour- ney here;
4. God's Son, the Word, will soon give us a place;

As fur- nished each step of the way.
As guid- ed by God's might- y hand,
Sup- ply- ing us milk, pure and dear.
Our thirst quenched, we've fin- ished the race.

Sweet- er than hon- ey, was God's care each day;
Sweet- er were hon- ey and milk of the land;
Sweet- er than hon- ey is Je- sus, so near;
Sweet- er than hon- ey is His warm em- brace:

They tast- ed and sa- vored His grace.
They tast- ed and sa- vored His grace.
Come taste; you can sa- vor His grace.
Come taste; you can sa- vor His grace.

Come taste and savor how good is the Lord;

Be filled with the milk of His Word.

Sweet-er than honey, the mes-sage is heard:

Come taste; you can sa- vor His grace.
